Tileboard Look Panels

Tileboard is a complete, water-resistant wall covering system for any high-moisture area of the home. Kitchen... baths... even mud rooms... can become signatures of your personal style. While the choices among our embossed series are impressive, what's even more remarkable is how easy Tileboard is to install. With ordinary tools and easy-to-follow directions, you can achieve a custom decorated look (for a fraction of the cost), in a weekend!
