

MAGNUM SHEAR FLOOR CUTTER

• NO SAWDUST • NO ELECTRICITY • POWER & VERSATILITY WITHOUT THE PRICE!

THE MAGNUM SHEAR *The Flooring Professional's Best Shot!*

The Magnum Shear is amazing! Does it really work?

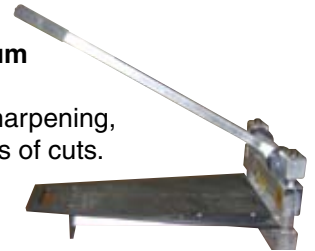

Yes! The combination of super-strong components, tremendous leverage, and a razor-sharp blade work together to give you a precision cut every time.

What kind of cut quality can I expect from the Magnum Shear?

Typically a saw-quality cut. On some products, you'll even achieve a factory edge!

How long does the Magnum Shear blade last?

With periodic honing and sharpening, hundreds or even thousands of cuts.

What materials does the Magnum Shear cut?

Laminate Flooring • Wood Flooring (solid/engineered) • PVC Tile / AMTICO • VCT • Rubber Tile • Rubber Cove Base • Commercial Vinyl • Carpet Tile • Recycled Tire Tile / Tirex • Soft Plastic • Luxury Vinyl Tile • Leather • Cork • Parquet • Durastone, Permastone • Vinyl Siding • Cement Board and Wood Siding
