

We Are Open!

However, it is not business as usual.

Given the changing conditions with the development of COVID-19 in our community, we believe it is in the best interest of both our customers and employees to strictly limit walk in traffic and public access to our store until further notice.

We are practicing “Physical Distancing” at all times. We ask you to help us by doing the same while in our store.

We are unable to accept cash at this time and ask that you pay by credit or debit card.

For everyones protection we have increased our cleaning and sanitizing measures throughout our store.
